Tournament Formats

There will be three formats used and is dependant on the number of entries. All formats offer a 5 game guarantee.

Format 1 (6 Entries): Play every team once and the team with the best record wins the tournament. The first tie breaker is head to head results, the second is runs allowed, and the third is runs scored.

Format 2 (8 Entries): Two divisions of 4 teams each. Play each team in your division once. The top two teams from each division advance to the championship bracket and the bottom two in each division advance to the consolation bracket.

Format 3 (10 Entries): Two divisions of 5 teams each. Play each team in your division once. The standings will then be used to schedule the final game against a team in the opposite division. 1st vs. 1st, 2nd vs. 2nd, 3rd vs. 3rd, 4th vs. 4th, and 5th vs. 5th.

TEAMS MAY BE SCHEDULED TO PLAY ONE DOUBLE HEADER DURING THE TOURNAMENT

Age Exceptions

Since many organizations have adopted the Little League Baseball age determination date of April 30th, each team will be allowed to roster up to 5 players who qualify using the April 30th date. For example, a 14U team will be allowed a maximum of five players who turn 15 prior to July 31st but qualify as 14 year olds using the April 30th date.
